

Fall 2010

Greetings:

Thank you for your support of LIONS CANDY DAY.

Because of your generous contributions, along with those raised by our members and volunteers last year, a young girl with a hearing disability was able to go to summer camp. A group of senior citizens, with your donations, were given food baskets during Christmas. Others, now have eyeglasses and hearing aids they otherwise could not have afforded. This club, also, has sent a seeing impaired college student to the University of Illinois, Chicago, on a scholarship.

These people have you to thank. Without your support, the Lion's Club could not have accomplished all this for your community.

This year "Candy Day 2010" will be on October 8th. A case of candy cost \$85.00. You can help by underwriting the cost of a case or even a partial case, with your donations. Contributions made payable to the Lions of Illinois Foundation are fully tax deductible. However, checks payable to the club are not.
